Interdisciplinary
Late-Summer School on
Non-Invasive Brain Stimulation

NIBS 2016

October 12-16, 2016
Freiburg, Germany

The summer school is sponsored
by the Volkswagen Foundation.

© Andreas Schwarzkopf

Lectures
by leading NIBS experts on their field
of expertise

Podium discussions
with renowned experts

Practical sessions
focusing on methodological aspects
and issues

Hands-on sessions
often in parallel

Guided poster sessions
where each participant will be given
the chance to present their own work
in 4-5 minutes

Group work and presentations:
participants will be divided into small
groups and will work together on their
own project ideas

A detailed program is available on our website.
Reasons for Participating:
- Acquire valuable basic and advanced knowledge of NIBS techniques
- Learn from leading experts in the field
- Discuss research ideas with experts and young researchers
- Foster future collaboration and career opportunities
- Participate in leisure activities and social events organized during the summer school

How to Apply:
Target audience: PhD students and post-doctoral researchers

Applications are kindly asked to submit via e-mail:
- A short CV detailing education and research experience as well as professional qualifications.
- A poster abstract (max. 300 words) presenting their own work (i.e., a report of their present work in progress).
- A one- to two-page letter of motivation indicating why they would like to participate and how the topic is relevant to their current or future research.

Application deadline: July 29, 2016
Number of participants: max. 35

Registration:
Registration fee: 200 €
Successful applicants will be asked to register until September 1, 2016.

Experts:
Michael Bach Freiburg
Malek Bajbouj Berlin

John Rothwell London
Christian Ruff Zurich
Ulf Ziemann Tübingen

Tutors:
Marco Curado Freiburg
Lukas Frase Freiburg
Jacob Lahr Freiburg
Lora Minkova Freiburg
Sven Paßmann Freiburg
Jessica Peter Freiburg

Travel Information:
Financial support for travel expenses will be provided to all participants:
- up to 150 € for Germany
- up to 300 € for Europe
- up to 800 € for overseas

To reimburse the travel costs, we will ask participants to provide their original tickets and a signed form upon completion.

All participants are required to attend for the whole duration of the summer school.

Accommodation:
Accommodation costs will be covered by the summer school.

Participants will be lodged in double rooms at 4-star Hotel Stadt Freiburg.

Please contact us (not the hotel directly) for the accommodation arrangements.

Expenses for accompanying persons or family members can be arranged upon request but will not be covered by the summer school (exception: children under the age of 6).

The summer school will take care of lunch and the snacks during the coffee breaks, as well as of the social events (welcome dinner, city tour, etc.).
