CALL FOR ABSTRACTS & SYMPOSIA PROPOSALS

Aging and Sleep™ 2016

Present Your Research or Case Report
You are invited to contribute to the leading conference in geriatric sleep medicine. The IASRG is accepting the submission of scientific abstracts including case reports and symposia for consideration and possible presentation at Aging and Sleep™ 2016, which will be held July 22-23, in Istanbul, Turkey.

Symposia and abstracts can report on basic, translational, and clinical science research; epidemiologic, social, behavioral, and psychosocial investigations; or educational and quality improvement projects.

Abstracts including case reports must describe unique, unusual or important observations of interest to clinicians.

Please note that submitting an abstract or symposium proposal for presentation does not constitute registration for the congress. All accepted presenting authors, co-authors and session chairs are required to register and pay the registration fee.

Target audience Geriatricians, gerontologists, sleep specialists, chest physicians, cardiologists, neurologists, psychiatrists, internal medicine specialists, epidemiologists, anesthesiologists, researchers, health care providers, lead or supervisory sleep technologists, physiotherapists and nurses. Aging friendly corporates, opinion leaders, welfare professionals, policy makers and journalists.
